

REQUIREMENTS FOR THE DESIGN OF ARTICLES

The article is sent by the authors to the editorial office of the journal in electronic form to the e-mail address izvestiaggau@mail.ru.

The article must have UDC. The number of authors is no more than five.

The article sent to the editors should have the upper and lower margins - 20 mm each, the left - 30 mm, the right - 15 mm. Font – Times New Roman, the size of the pin is 14, the line spacing is one and a half. The paragraph is automatic. Do not type in the formula editor lower and uppercase and foreign letters that go in the text but only formulas. Align text in tables. The number and name of the table are placed above the table in one row.

Drawings, diagrams, photographs are presented in PDF, JPEG, TIFF format with a resolution not lower than 300 dpi (it is not allowed to scan tables, diagrams, drawings).

The article contains: UDC, type and title of the article, initials and surname of the author(s), academic degree, title of author(s), email and ORCID, abstract, and keywords.

The article should clearly distinguish the following components: **1 Introduction, 2 Materials and Methods, 3 Results, 4 Discussion, 5 Conclusions, 6 References**

Particular attention should be paid to the completeness of the article bibliographic list (including those reflecting foreign studies). In the same way, it is mandatory to avoid *flawed citation practices, i.e. unduly made citations in order to inflate an individual's citation count* and *citations with unfounded authority, i.e. unvalidated by the content of the cited articles*. Citations should be included fully but must be substantiated. *Insufficient or excessive citation reduces the rating of the journal*.

At the end of the work, information about the author(s) is given, i.e. academic degree and academic title.

Authors should disclose any financial or any other significant conflict of interest in the manuscript that could be construed as affecting the results of the evaluation of their manuscript. All sources of financial support should be disclosed.

The recommended volume of the article (together with the translation of the abstract and bibliographic list) is **10-12**pages, with the exception of problem and review articles.

FORMATTING OF BIBLIOGRAPHIC REFERENCES

Bibliographic references should be formatted with the indication of the numerical serial number in the line of the text in square brackets. In the case of a reference to an exact quotation, it is necessary to additionally specify the relevant page numbers separated by commas, e.g. [7, p. 36].

The list of sources is numbered in the order of reference in the text, and it must be issued in accordance with GOST R 7.0.5.-2008 "Bibliographic reference. General requirements and rules for formatting" with the indication of the mandatory information of the bibliographic description.

Detailed instructions for the design of articles in the journal with an example of design are posted on the official page of the journal on the Internet at:
